City of San Marcos

Energy Efficient Appliance Rebate Program

Application and Guidelines

I have read, understand, and agree to the following program guidelines:

- I am the owner of the residential property where the new appliances will be installed **OR** I have received home-owner consent to install the appliances at this address. *(If rebate recipient is a tenant, both the tenant and property owner must sign below.)*
- Energy efficiency upgrades must be recommended through a City of San Marcos energy audit in order to qualify for a rebate.
- Rebated appliances must be new, energy-efficient models as specified by the City of San Marcos.
- Appliances must be installed within the San Marcos city limits, and must remain in use at the specified address for a minimum of five (5) years.
- Old appliances, if any, must be recycled with Green Guy Recycling in order to qualify for rebate.
- A dated and itemized sales receipt must be provided with the application. Receipts dated more than 90 days from the application date will not qualify for a rebate.
- Prior to issuance of a rebate check, a site inspection will be conducted to verify appliance installation. Appliances must be installed and functional at the time of the inspection.
- Rebates are offered on a first come/first serve basis, and are subject to availability of funds.
- Rebate may include cost of specified appliances only, up to a maximum of \$2400 per household.
- Rebate recipients may be asked to complete a follow-up questionnaire.
- Qualifying appliances are selected on the basis of energy efficiency only. The City of San Marcos does not endorse specific brands, products, or dealers; nor does it guarantee materials, workmanship, performance or durability of qualifying appliances.

Home Owner Signature: _____ **Date:** _____

Tenant Signature: _____ **Date:** _____
